Since announcing the creation of the Foundation, in June 2006, we have completed and filed the required paperwork to become a not-for-profit educational foundation under New York State Law. Tax Exempt status, under Section 501 (c)(3) of the Internal Revenue Code, is pending.

On April 21, 2007, a 50's dance was held to introduce the Foundation to the community. The Foundation used this event to recognize Grant Decker, physical education teacher, for his compassion and dedication to students at APW for the last thirty-three years. Coach Decker was awarded the first "Rebel Spirit Award" and inducted into the newly created "Rebel Hall of Fame." The Foundation hopes to honor many more individuals over the years, and is working on a nomination and selection process. More information will be announced in the coming months.

On behalf of our Foundation Board, let me say that we are all extremely proud to be a part of this organization. We would ask you to consider becoming a founding supporter by making a tax deductible contribution. Please consider a donation to your alma mater today.

Thank you for your consideration,

Thomas Benedetto
Class of 1983

Dear Fellow Alum:

During this past year, members of the Alumni Association and representatives from the APW School District have worked diligently to form an educational foundation. The Altmar Parish Williamstown Educational Foundation, Inc. (hereinafter the "Foundation") has been created as a vehicle to provide additional educational opportunities to the entire APW School Community.

*Altmar
Parish
Williamstown
Educational
Foundation, Inc.*

Specifically, the Foundation will provide opportunities for scholarships, academic enrichment and grants for teachers to implement innovative programs in their classrooms. The Foundation will have the unique privilege of allocating funds to worthy endeavors that are not provided for in the school district's operating budget either because there is inadequate funding available, or because the event or happening takes place after the budget process is completed. Additionally, the Foundation has a goal of promoting achievement and pride in the APW School District by sponsoring events and recognizing individuals who contribute to the betterment of our school.

Much of the impetus for the creation of this Foundation has come from alumni who would like to give back to their system. The Foundation is a way for past students to stay connected to the institution that provided for them and helped them to get where they are today. The Foundation is an avenue to make charitable donations to their alma mater.
