April 2009

The APW Marching Band has launched our uniform replacement drive. The cost will be approximately \$36,000.00. The cost of one uniform is \$300.00. You can help by donating funds **In Honor of** an individual, previous student, current student or staff member. You can also donate **In Memory of** a loved one. Consider giving in honor of your **Graduating Class**. We challenge you alumni; can your graduating class raise enough donations for one uniform: All names will be listed in our 2008-2009 concert programs as well as other events throughout the school year.

This uniform replacement drive is a huge financial undertaking. The APW Band Boosters are seeking donations to help fund this project. The current APW High School Marching Band uniforms are twelve to fifteen years old. They have been altered numerous times; many are permanently stained, discolored, and torn. Marching Bands are often the face of a high school band program. We want our students to be proud of their accomplishments, including their music education, and uniforms are a means of doing that and exhibiting that pride for their school and community. This in turns provides a positive attitude, spirit, and morale among the members. We want the people in this community, and others the band performs in, to see the pride that our students have and that we have of them and that we support their desire to strive for excellence. With your generous contributions this project will succeed.

Thank you in advance for helping our children.
